

“I cannot remember in my life anything that I’ve been involved in where I have sensed so clearly the work of the Spirit ” Archbishop Justin Welby

Archbishop Justin hopes to see every Church join this global wave of prayer. Here is how you can take part:

1. Start planning

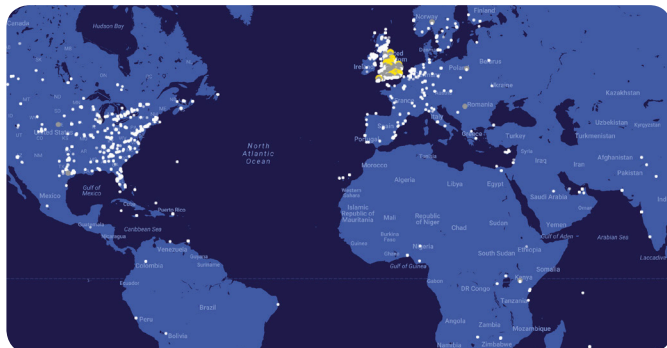

There are so many ideas of what can be done and free resources to **download**.

Prayer events of all shapes and sizes will take place from May 30th - June 9th 2019, including 24-7 prayer rooms, prayer days, prayer walks and half nights of prayer.

Cathedrals, churches and other venues will host Beacon Events, gathering people across towns and cities to worship and to pray for the empowering of the Holy Spirit for effective witness.

Resources to promote events (however large or small), giveaways for your congregations and ideas for services can be bought at www.cpo.org.uk/thykingdomcome.

2. Make your light shine

Jesus calls us to be the light of the world. Encourage your church members to make a personal commitment to take part as individuals and families by signing up **here** to #Pledge2Pray and show your light on the map. Let us know about the events and activities you are planning as a church **here**, so that others can be inspired and join in! Over the next few weeks we'll keep in touch, and send you videos and resources to encourage and inspire you.

3. Tell us about it, and inspire others

Join the global online community and share what you are doing on social media, on your website and you can follow what others are doing in the following ways:

There are great videos to use in services and share in your networks at :

4. Be expectant

As we pray 'Thy Kingdom Come' let us consider what God might be calling us to do in our churches, our homes and in our own lives. We hope to support you on this continuing journey in helping us all becoming witnesses for Jesus. Keep an eye out for new resources throughout Thy Kingdom Come to help people **share their faith**.
