CAThedral Purrsuits

TKC escape room 2021

Hello friends,

Thank you for using our CAThedral Purrsuits Escape Room as part of your Thy Kingdom Come schedule for 2021.

In this folder are some advertising materials for your usage. I've included:

Screen Size (16:9) for usage on screens, countdowns or during notices sections of your livestreams.

Square (1:1) for usage on social media/websites.

Long rectangle (9:16)for usage on Facebook and Instagram stories.

Both the 1:1 and 9:16 have examples where I have edited our church logo and details over the top to illustrate how you may want to do the same. I recommend using the font that you most commonly use for your personal branding so it fits with your church.

We've loved creating this resource (I've never drawn so many cats!) and we really hope you have lots of fun playing it.

Jack Percey
