

Prayer Station

INSTRUCTIONS

Who is missing from your church?

Praying to double the number of children and young people in your church

YOU WILL NEED

- A picture of your church(es)
- Some photographs of children and young people. Maybe, with agreement, some congregational members will lend you pictures of children.
- *Unsplash.com* have plenty of appropriate and free images you can use.
- You will need some cut out of gingerbread figures like the one provided on pg3.
- An appropriate scripture. e.g. *Jesus said 'let the little children come to me and don't stop them. For the Kingdom of God belongs to them' Matthew 19:14*

INSTRUCTIONS

- Take your time, wait and pray and ask God if there are specific children and young people that you should pray for. Is there a school nearby that you could pray for the students to come know the love of God for themselves?
- Take one of the cut out figures holding them while praying *'Lord help me to so pray aright that I might be a part of proclaiming the faith a fresh to every generation. Amen'*
- The figures are taken home to remember to pray.
